

FRENCH AT LITTLE OAKS MONTESSORI – MONDAY 7TH OCTOBER 2019

Bonjour!

This week we continue with our La Famille topic and introduce two new family members – le grandpère (grandpa) and la grandmère (grandma) using our wooden doll family plus some very funny looking picture cards.

The children will have to choose a card and find the matching doll and try to name it in French. We will then introduce our paper plate family game, where the children have to identify different photographs of people and see if they can name them. All of these games are excellent for reinforcing new vocabulary.

Our song is Nounours, Nounours – our favourite teddy song which we hope your children might start singing to you at home. We have supplied the words to Miss Katie who I believe will be emailing them to you so you can practise together.

We have some cardboard people to count up to 10 and will be letting the children have a go at counting on their own if they wish.

Our story is called Papa Poule and is about a hen called Paulette who lays an egg in a bear's cave and gets more than she bargained for!

À bientôt

Miss Debbie and Miss Karuna
