

Little Oaks Montessori French – Monday 2nd March 2020

Dear Parents

This week we continue with our colours theme using our coloured beanbags to practise the new colour words and introduce new ones if the children are ready. We are playing a colour matching game which will get the children moving around, and having to stand on different coloured spots on the floor.

We will sing our new Rainbow and Hokey Cokey songs and will be counting something exciting from our colour bag of counting objects. What could it be this week?! The children are gaining in confidence with their counting and we are encouraging them to identify numbers and quantities together.

We have a fun little colour story to read to the children and will be seeing if they can remember the different colours as they appear in the story.

We hope you are finding the take-home stickers useful – it will hopefully enable you to practise new words learnt together.

À bientôt
