

Little Oaks Montessori French – Monday 24th February 2020

We hope everyone had a lovely half term – for the remainder of the Spring Term our new topic is Colours. We will be teaching the children lots of new French words for all their favourite colours through a range of songs, games and stories.

This week we introduce the colours rouge (red), bleu (blue), vert (green) and jaune (yellow) to help us learn our new Arc en Ciel (Rainbow) song. We will play our splat game to reinforce the new colours and practise singing the song.

We are also introducing another really fun song – the French version of The Hokey Cokey, so will have everyone up on their feet making lots of noise!

We are counting little coloured trains – all the way up to 20 – and seeing if the children can identify some of the new colours.

Our story is called T'Choupi fait les crêpes and is about a little penguin called T'Choupi who has a go at making pancakes but isn't very good at tossing them as they keep landing on his teddy's head!

We hope you have a good pancake day and eat lots of crêpes!

À bientôt
