

## Little Oaks Montessori French – Monday 9th March 2020

Dear Parents

We continue our colours theme this week with a game using our parachute, bouncing our coloured kitty kat puppets and scarves up and down as we try to remember the different colours. We are also playing What's in the Bag? where the children have to close their eyes and select a coloured object from the bag and name the colour in French.

We will introduce new colours orange and violet (orange and purple) and sing our rainbow song and a new action song using the coloured scarves.

Our counting activity is our popular car park game, using different coloured cars and taking it in turns to park them in different numbered car parking bays. This practises colours and numbers together.

Our story is called Pop le dinosaure and is about a multi-coloured dinosaur that changes colour depending on the food he eats!

À bientôt
